Dear Prospective AUB Graduate:

As an undergraduate student who is expected to graduate in fall 2020-2021, please check this link: <https://aub.edu.lb/Registrar/Documents/fall2021expectedgrad.pdf>, where we have posted the list of students who applied to graduate.

When you find your name, you will notice one of three statuses:

- **OK:** Your degree audit is completed. You need to finish your clearance.
- **Check with Faculty:** Your degree audit has questions that need to be addressed by your faculty/school.
- **Not Eligible:** Your degree audit shows that you will not graduate in fall or winter 2020-2021.

If you need to follow up with your faculty/school, please do so without delay. Once we receive feedback from your faculty/school, your status will be updated within two working days.

Kind regards,

Office of the Registrar
