Dear AUB Student,

We hope you are doing well and staying safe.

We are writing to follow up on our [email](#) to you of October 20, 2020, where we announced that starting this fall, students will make an application through their AUBsis to be evaluated for graduation.

You have been identified as a potential graduate in the fall semester. Please note that we have not yet evaluated your degree, but you fall into a category of student who may be eligible to graduate this fall.

Please remember: before you apply to graduate, we are asking you to meet with your registration or academic adviser (depending on your Faculty/School) and go over whether you believe you will meet the requirements. If this is the case, please follow the instructions posted [here](#) to apply.

The deadline for your application is December 11, 2020, but we encourage you to apply as soon as you have met with your advisor and determined that you are likely eligible.

We wish you continued success in this semester.

Kind regards,

Office of the Registrar
