All scheduling of CHSC major facilities for exclusive use by a group will be managed through the office of the director of university sports. The following guidelines will apply:

1. Requests for exclusive facility use in the CHSC are made at a minimum of two weeks in advance through the director of university sports office using the Facility Rental Agreement. Regular academic courses are exempted from rental fees while all other activities will be subject for rental fees as indicated at the website. In rare instances, exceptions may be made.
2. If the facility space requested is available and not currently scheduled, the requester's group will be scheduled to use the facility in accordance with the "priority use of facilities" outline that has been adopted and associated to the facility use policy.

The sponsor of the group will be responsible for the conduct of all members and spectators and for their compliance with the rules in the rental agreement as well as generally accepted standards of conduct, behavior, and use of university property. Groups will ensure that members and spectators abide by the requests of the AUB staff members who are acting in their official capacities.
8. Groups shall be responsible for the costs related to any vandalism, defacing of university property, malicious mischief, or other damages caused by participants in activities.
9. Occasionally, unforeseen circumstances occur in university programming that may cause a particular group who has scheduled a part of the facility to be "bumped", based on the "priority use of facilities". This should be a rare occurrence and every attempt will be made to inform the impacted group as quickly as possible.
10. The facilities of the CHSC shall only be rented to external groups at times when they are not scheduled for university use.
