AUB to hold commencement exercises and honorary doctorates ceremonies

Event guidelines to reporters

Beirut, Lebanon- 19/05/2014 -The American University of Beirut will be holding its 146th commencement exercises and honorary doctorates ceremony, according to the following schedule:

May 29, 2015 at 8pm: The Honorary Doctorates and Graduate Commencement ceremonies
May 30, 2015 at 7.30pm: The Undergraduate Commencement Ceremony.

The AUB Office of Communication asks all reporters who are interested in covering these events to register with the Office, **no later than Thursday, May 28 at noon**, by sending their names to: ma110@aub.edu.lb, or ht10@aub.edu.lb, or calling the Office of Communication at 01-759685.

Because space is limited, and because it was not possible to provide all press photographers and cameramen with prime locations from which they could take photos or footage, filming and photography will be exclusively handled by the Office of Communication, which will distribute photos of the ceremonies on the nights of the events. Meanwhile, footage will be made available upon request, and TV stations are invited to send an email to ma110@aub.edu.lb, requesting the Office to send them footage the next morning after the ceremony that interests them. **To make sure you will receive footage of the ceremonies in a timely manner, please send your email no later than noon on May 28, indicating which ceremony you are interested in.**

Thank you in advance for your cooperation.
