

For Immediate Release

## Upcoming events at AUB

Beirut, Lebanon- 07/05/2012 - The following events will be taking place at the American University of Beirut in the coming days:

- **International Workshop on Energy and Natural Resources**

The Munib and Angela Masri Institute of Energy and Natural Resources at the American University of Beirut is organizing its fourth International Workshop on Advanced Energy Research. The workshop will be held on May 10, 2013, from 8:00 am to 1:00 pm, in the Samir Zaabari Science Lecture Hall, and will include presentations by 14 AUB professors as well as two seminars by leading international scientists.

Professor Jean Frechet, a leading chemist and the vice president of King Abdullah University of Science and Technology (KAUST), will hold a seminar, entitled “Energy Research from Fossil Fuels to Solar,” at 9:00 am.

Another seminar, held at 10.30am, will be led by world-renowned researcher, Jens Ejbye Schmidt, professor in biofuels at Military Institute for Science and Technology (MIST).

Entitled, “Waste: A Resource on the Wrong Track,” the seminar will highlight different bio-refinery concepts to show how waste can be used in a more intelligent way.

The full workshop program is available at this link:
