## **AUB mourns sudden death of student Marwan Hamzeh**

Beirut, Lebanon- 06/11/2013 - The AUB community is deeply saddened by the sudden death of third-year engineering student Marwan Hamzeh this morning. We are mourning the loss of this promising young student and express our sincere condolences to all who knew and admired Marwan. Out of respect for the family's privacy and grief, AUB will not be issuing further media statements on the tragedy. AUB administrators are in contact with his family and the students who knew him and are providing them with appropriate support.”

**Note to Editors**

### **About AUB**

Founded in 1866, the American University of Beirut bases its educational philosophy, standards, and practices on the American liberal arts model of higher education. A teaching-centered research university, AUB has more than 700 full-time faculty members and a student body of about 8,500 students. AUB currently offers more than 100 programs leading to the bachelor's, master's, MD, and PhD degrees. It provides medical education and training to students from throughout the region at its Medical Center that includes a full service 420-bed hospital.
