

For Immediate Release

Upcoming Events at AUB

Beirut, Lebanon- 23/10/2015

Road mapping workshop and press conference on Solid waste management

AUB waste management task force presents the workshop:
'Road mapping workshop for waste management'
Thursday October 29, 2015
11:00 am - 1:00 pm
Issam Fares Auditorium - AUB

This event will provide individuals and representatives from municipalities and the government with insight into the nine projects that are being developed by the AUB Waste Management Task Force, in order to provide them with specific guidelines on how to tackle the issue scientifically and economically. The event will include presentations, Q&A sessions, and a reception at the end.

Note to Editors

About AUB

Founded in 1866, the American University of Beirut bases its educational philosophy, standards, and practices on the American liberal arts model of higher education. A teaching-centered research university, AUB has more than 700 full-time faculty members and a student body of about 8,500 students. AUB currently offers more than 120 programs leading to bachelor's, master's, MD, and PhD degrees. It provides medical education and training to students from throughout the region at its Medical Center that includes a full-service 420-bed hospital.
