

TARGETING HEALTH WORKERS

814

medical personnel killed
from 2011 to February 2017

ATTACKING HEALTH-CARE FACILITIES

Targeting of health-care
facilities is increasing

CRIMINALISING MEDICAL NEUTRALITY

In 2012 a counter-terrorism law
effectively criminalised medical
aid to the opposition

Weaponisation of health care in Syria

VIOLATING INTERNATIONAL LAW

Targeting health care to the
extent occurring in Syria is
unknown in any previous war

BESIEGING MEDICINE

Areas under siege rarely allowed
entry of essential medicines
and surgical supplies

EXODUS OF HEALTH WORKERS

15,000

of Syria's 30,000 doctors
had left by 2015
